

REMARKS

In the above-identified Office Action Claims 3 and 25 were stated to be allowable if re-written so as not to depend from a rejected claim. By this response Applicants have so amended Claims 3 and 25, and have cancelled all the other claims in the application.

Accordingly, it is believed that amended Claims 3 and 25 are now unconditionally allowable, wherefore the issuance of a Notice of Allowance is solicited.

Applicants' undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,

/John A. Krause/
